

Vaccine Information and Resources for Providers and Parents

CDC's Conversations Website

www.cdc.gov/vaccines/hcp/patient-ed/conversations/index.html

CDC, AAP, and AAFP created these materials to help you assess parents' needs, identify the role they want to play in making decisions for their child's health, and then communicate in ways that meet their needs.

- Understanding Vaccines and Vaccine Safety
 - Understanding MMR Vaccine Safety
 - Understanding How Vaccines Work
 - Understanding the Vaccine Adverse Event Reporting System (VAERS)
 - Ensuring the Safety of Vaccines in the United States
 - Understanding Thimerosal, Mercury and Vaccine Safety
- Talking with Parents about Vaccines for Infants (for healthcare professionals). *Offers communication strategies for successful vaccine conversations with parents and caregivers.*
- If You Choose Not to Vaccinate Your Child, Understand the Risks and Responsibilities (for parents and caregivers). *Outlines possible risks for parents who choose to delay or decline a vaccine; offers steps for parents to take to protect their child, family and others.*
- Vaccine Preventable Disease Fact Sheets

Clear Answers and Smart Advice about your Baby's Shots by Dr. Ari Brown

Dr. Paul Offit's *The Problem with Dr. Bob's Alternative Vaccine Schedule*

pediatrics.aappublications.org/content/123/1/e164.full.pdf+html?sid=2f7529fe-b8b3-48a4-b5f8-b0eaa50329e8

Children's Hospital of Philadelphia (CHOP) Vaccine Education Center

www.chop.edu/service/vaccine-education-center/

The Vaccine Education Center at CHOP has a variety of materials for providers and parents, to address all types of questions about vaccines.

- A Look at Each Vaccine
- Vaccine Safety – FAQs
- Vaccine Safety – Hot Topics
- Vaccine Educational Center Materials – a series of information sheets, available for download covering each vaccine and special topics in immunization
 - Autism
 - vaccine ingredients
 - Number of vaccines recommended.

AAP Immunization Training Guide

www2.aap.org/immunization/pediatricians/trainingguide.html

This training guide covers all aspects of immunization within a provider office.
